A very special thanks to this amazing group of seniors that worked tirelessly in creating this yearbook. They were dedicated and efficient and learned how to work in teams to accomplish a common task and goal. This group was able to finish pages ahead of schedule and do it with little to no mistakes. I respect each one of them and know they will continue to find success in the days ahead.
They will be missed !!! Ms H

LEAVE A MARK

We all want to be seen and heard
We all want to leave a mark on this world
Let the thunder and echoes come and go
Embark on a journey, let the magic unfold.

Be your own canvas, paint the vision you see
Use whatever colours to show how you feel
Be known as the person who did all they could
Act like the icons in the storybooks.

Before your days are numbered, laugh out loud
Do the right thing, stand tall and proud
When all is said and done,
you can look back on your life
With teardrops of joy knowing
you did all you should.

Jedward
